LOCO MOCO

SECURITY CONFERENCE

**SHERATON KONA RESORT & SPA
AT KEAUHOU BAY, KAILUA-KONA HAWAII**

APRIL 3 - 6, 2018

WHAT IS LOCO MOCO SEC?

The Loco Moco Security Conference is a builder and defenders conference for people interested in making impactful and long lasting changes for the state of web security. While we value the work of breakers and researchers, we cater to those making it harder to break things.

The Loco Moco Security Conference will provide attendees comprehensive, practical knowledge that they can directly apply to their day jobs. The carefully curated list of invited speakers were chosen for their specific backgrounds and presentation ability. Each one helps tell part of the story of how to run or contribute to an effective security program.
